AREAS of INTEREST or EXPERTISE

Spatial Planning; from Architecture to Marine Spatial Planning - Coastal Areas, Maritime Regions
- Settlements Networks, Demographic Trends & Geopolitics - Urban Functions, Resilience, Sustainable Cities, - Urban & Regional Land Uses/Covers, Legislation/Policy - Tourism Development
- Geo-spatial Information, Indices & Algorithms -- Project Management -- Tertiary Education.

EDUCATION

- 1999 Regional Planner & Economist, PhD, Panteion Univ., Hellas.
1990 Spatial & Regional Planner, MSc, Panteion Univ.
1984 Architect, Dipl. Eng., NTUA, Hellas.
1976 Rural & Surveying Dipl. Eng., NTUA.

ACADEMIC ACTIVITY

- 2018- Professor of 'Urban Planning, Physical Planning & Regional Development' at the **University of West Attica (UNIWA)**, School of Engineers, Dept. of Surveying & Geoinformatics Eng.
He teaches the courses: "**Physical Planning & Regional Development**", "**Urban Planning**" and "**Architecture**" at Undergraduate Level (EQF level 6).
He teaches the courses: "**Project Management**", "**Protection of Building Environment -Urban Planning**", "**Design & Projects Management**" and "**Integrated Management of Coastal Space and Marine Environment**" at Postgraduate Level (EQF level 7).
Short-term visits (in the framework of Erasmus+ program) for teaching, at the universities: Odessa State Academy of Civil Engineering and Architecture (OGASSA), Ukraine; Moscow State University of Geodesy & Cartography (MIIGAİK); Polytechnic University of Tirana, Albania; Russia; V. N. Karazin Kharkiv National University (KGNU), Ukraine; University of Novi Sad, Serbia; University of Tirana, Albania; University of Guilan, Iran; ADA (Azerbaijan Diplomatic Academy) University, Azerbaijan; University of Belgrade, Serbia; University of Riga, Latvia; King Mongkut's University of Technology Thonburi (KMUTT), Thailand.
- 2013-18 Professor of 'Urban Planning, Physical Planning & Regional Development' at

Technological Educational Institute (TEI) of Athens, Dept. of Civil Eng. and Surveying & Geoinformatics Eng.

He teaches the courses: "**Urban Planning**" and "**Physical Planning & Regional Development**" at the Degree in Surveying & Geoinformatics Engineering.

He teaches the courses: "**Architecture**", "**Urban Planning**" and "**Building Technology**" at the Degree in Civil Engineering.

He teaches at the postgraduate program 'Geospatial Technologies', the courses: "**Project Management**" and "**Integrated Management of Coastal Space and Marine Environment**" (since 2016).

Short term teaching visits at the universities: University of Agriculture in Krakow, Poland; Odessa State Academy of Civil Engineering and Architecture, Ukraine, Singapore University of Technology and Design (SUTD), The Lee Kuan Yew Centre for Innovative Cities (LKYCIC), Singapore; Kyiv National University of Construction and Architecture, Ukraine; Hedmark University College, Norway.

2006-13 Professor of 'Urban Planning, Physical Planning & Regional Development' at TEI of Athens, Dept. of Surveying Engineering.

He teaches the courses: "**Urban Planning**" and "**Physical Planning & Regional Development**".

Short-term teaching visits at the universities: Karelia University of Applied Sciences, Finland; Opole University of Technology, Poland; V. N. Karazin Kharkiv National University (KGNU), Ukraine; Belarusian State University (BSU), Belarus; Taurida National V. I. Vernadsky University (TNU), Ukraine; Moscow State University of Geodesy & Cartography (MIIGAIK), Russia; Moldova State University, Moldova.

1987-06 Associate Professor (since 2002), Assistant Professor (1990) and Professor of Applications (Lecturer) of 'Topography, Photogrammetry & Cartography' at TEI of Athens, Dept of Surveying Engineering.

He teaches the courses: "Hydrography", "Physical Geography", "Land Surveying", "Surveying Instruments and Measuring Methods", "Technical and Topographic Drawing", "Urban & Physical Planning", "Specialized Seminars" etc. at the departments of: 'Surveying Engineering' and 'Civil Works & Infrastructure Technology'.

Short-term visits of: Birzeit University, Ramallah, Palestine (2005, with the support of Hellenic Consulate in Jerusalem) and University of Belgrade, Serbia (1999).

1984-87 Member of the non-permanent academic staff at TEI of Athens, Dept. of Surveying Engineering.

He teaches the courses: "Hydrography & Elements of Oceanography", "Land Surveying" and "Physical Geography".

2007-09 Member of non-permanent academic staff at the Dept of Architecture, University of Patras.

He teaches the courses: "Special Subjects of Spatial Planning" and "Urban Planning - Action".

2005-06 Member of non-permanent academic staff at the Dept of Planning and Regional Development, University of Thessaly.

He teaches the course "Spatial Planning Policy".

1998- Member of non-permanent academic staff at the National Centre for Public Administration and Local Government (NCPA&LG).

He teaches "Regional Development Policy" at the National School of Public

Administration.

He provides seminars concerning "Spatial Planning" at the Training Institute of NCPA&LG.

- 1992-94 Member of non-permanent academic staff at the Hellenic Air Force Academy.
He teaches the courses: "Geodesy - Land Surveying" and "Building Technology".
- 1979-85 He collaborates with the Laboratory of General Geodesy, School of Rural and Surveying Engineer, National Technical University of Athens (NTUA).
Students' monitoring, guidance and evaluation (during 4 academic years), in the framework of the course "Advanced Geodetic Field Course" of School of Rural and Surveying Eng., NTUA [regions: "Varko" Lefkada and Hymettus Attica].

PROFESSIONAL EXPERIENCE

- 2014-19 **Board member of the Greek Association of Urban and Regional Planners (ΣΕΤΤΟΧ).**
- 2005-10 Member of the ΣΕΤΤΟΧ' Committee on "Urban Planning, Physical Planning and Environment".
- 2004-06 Vice-president of the Association of Hellene Regionalists.
- 2002-04 **President of the Association of Hellene Regionalists (ΣΕΤΤ).**
- 2001-05 **Member of the (Hellenic) National Council for Physical Planning and Sustainable Development.**
- 2000-02 Member of the working Group 'Tourism' at the International Union of Architects, Hellenic section.

IN THE FRAMEWORK OF HIS ACADEMIC ACTIVITY

He writes monographs and academic notes for his lectures. He publishes in scientific journals, edited books etc. {see below}.

He is scientific coordinator or member in research projects. {see below}.

He serves as **reviewer** and as Editorial Board member in scientific journals. He participates in conferences' Scientific Committees.

He has been proposed as 'Respondent' for the **QS World University Rankings**, from the universities: V. N. Karazin Kharkiv National University (KGNU), Kharkiv, Ukraine; National University of Uzbekistan, Tashkent, Uzbekistan and Riga Technical University (RTU), Riga, Latvia.

He supervises degree thesis of his Dept students. He participates in the administrative, elective etc. bodies of University of West Attica and Technological Educational Institute of Athens.

He strongly supports the International Credit Mobility (Erasmus+) program of University of West Attica and he actively participates in multinational educational consortia and in academic programs of European Union.

- 2018- Elected Director of the '**Development Works & Spatial Planning**' Division of his Department, University of West Attica (UNIWA).
- 2018- Elected **Erasmus+** Coordinator of his Dept., UNIWA.
- 2018- Elected Students Advisor of his Dept., UNIWA.
- 2018- Head of the '**Spatial Planning & Analysis**' Unit of Geospatial Technologies Lab.
- 2016-18 Elected representative of his Dept. to the Education and Research Committee (EEE)

- of TEI of Athens.
- 2008- Member of his Dept. Committee for the Curriculum Internal Assessment (OMEA).
- 2006 Member of the Executive Committee of the 3rd Scientific Conference of the Surveying Engineering Dept.: "Topography in TEI of Athens, Greek Reality and Perspectives".
- 2005-06 **Deputy Dean** of the Faculty of Technological Applications, TEI of Athens.
- 2004-18 **Head of Spatial Analysis Laboratory**, TEI of Athens.
- 2003-06 **Head of Dept of Surveying Engineering**, TEI of Athens.
- 2000-03 **Head of Dept of Surveying Engineering**, TEI of Athens.
- 2002-08 Coordinator of the project 'Reformation of Undergraduate Curriculum at the Surveying Engineering Dept, TEI of Athens', co-funded by the European Union.
- 2002-05 Coordinator of the project 'Equipment for supporting the Reformation of Undergraduate Curriculum at the Surveying Engineering Dept, TEI of Athens', co-funded by the European Union.
- 2003-05 Coordinator of the project 'Additional educational equipment for departments of Higher Education at the Surveying Engineering Dept, TEI of Athens', co-funded by the European Union.
- 1999-00 **Head of the Division 'Geoinformation, Photogrammetry & Cartography'**, Dept of Surveying Engineering, TEI of Athens.
- 1997 Member of the Executive Committee of the 2nd Scientific Conference of the Surveying Engineering Dept.: "From Land Survey to Geoinformatics".
- 1993 Member of the Executive Committee of the 1st Scientific Conference of the Surveying Engineering Dept.: "Recent Developments in Science and Practice of Surveying Engineer".
- 1992-93 **Head of the Division 'Topography, Photogrammetry & Cartography'**, Dept of Surveying Engineering, TEI of Athens.
- 1987-90 **Head of Land Surveying Laboratory**, TEI of Athens.

AS SELF EMPLOYED

- 1997- He acts as Consultant for spatial planning projects.
- 1986-01 **Freelancer journalist** with specialization in topics related to the **regional aspect of tourism development**.
- 1982- Expert of the Court of Athens and Greek Technical Chamber for land ownership disputes.
- 1979-87 **Self-employed Consultant Engineer**, in the context of his own Private Office.
Implementation of all types of land surveying projects (e.g. Cadastral Surveys of rural and urban areas; Town Planning Applications; Roads Surveys; Determination Seashore and Beach; Detailed Buildings Groups Surveys etc.). Additionally: Building Construction and Road Geometry Studies.
Certificate of 2nd level as Consultant engineer for Public Works, in the categories of "Transportation Projects" and "Topographical Studies".
- 1974 He works at "J. Schenkel, Techn.-Bureau für Vermessung", Zurich, Switzerland, in the framework of the International Association for the Exchange of Students for Technical Experience (IAESTE).

RESEARCH - PROJETS

- 2020 Consortium coordinator at the international Project "**Spatial Data Science for Sustainable Development**" (SD4SD).
Proposal submitted for co-funding by the EU, in the framework of Erasmus+/KA2/Joint Projects. [Development of the new Geo-Data-Science curriculum and modernization of the existing curricula in Geoinformatics by developing new and innovative courses and methodologies at universities of Russia and Vietnam].
- 2020 Coordinator of the Hellenic participation at the international Project "**Digital Built for Energy Efficiency**" (ENERGY).
Proposal submitted for co-funding by the EU, in the framework of Erasmus+/KA2/ CBHE. [Project's wider aim is to strengthen the relations between higher education system and the wider economic and social environment in Ukraine Moldova and Belarus and to increase the relevance of higher education].
- 2019 Drawing up specifications for the development of educational material concerning training in the subject "**Masonry**".
Co-funded by the EU, in the framework of Partnership Agreement (ΕΣΤΤΑ) 2014-20.
- 2017-20 Participation at the international Project "Development of the interdisciplinary master program on Computational Linguistics at Central Asian universities" (CLASS).
Co-funded by the EU, in the framework of Erasmus+/KA2.
- 2017 Developing (writing) of educational material for 100-hour training course in the subject "**Masonry work**".
Co-funded by the EU, in the framework of Partnership Agreement (ΕΣΤΤΑ) 2014-20.
- 2012-16 Coordinator of the Hellenic participation at the international Project "**Restructuring of Study Programme in Architecture to Long-cycle Integrated Master in line with EU standards**" (RESARCH). (5 partners from 5 countries). ('530440-TEMPUS-1-2012-1-ME-JPCR').
Co-funded by the EU, in the framework of TEMPUS IV.
- 2012-16 Coordinator of the Hellenic participation at the international Project "**Independent Quality Assurance model for degree programmes in Russia**" (IQA). (14 partners from 8 countries). ('530838-TEMPUS-1-2012-1-RU-SMGR').
Co-funded by the EU, in the framework of TEMPUS IV.
- 2012-15 Coordinator of the Hellenic participation at the international Project "**Architecture and Sustainable Urban Development Based on Eco-Humanistic Principles & Advanced Technologies without Losing Identity**" (SEHUD). (20 partners from 7 countries; Cambridge University and Politecnico di Milano included). ('530197-TEMPUS-1-2012-1-IT-JPCR').
Co-funded by the EU, in the framework of TEMPUS IV.
- 2011-15 Scientific Coordinator (concerning the Spatial Analysis Virtual Lab.) of the Project "**Virtual Laboratories Services at TEI of Athens**".
Design and development of innovative, interactive service, free provided to the students through a web-based environment. It contents academic courses as unitary modules. Each module is divided to the Basic Concepts Library and the Virtual Exercises Grid. Both of them are seeking to offer an alternative way of distance and asynchronous learning.
Co-funded by the EU, in the context of the Program "Digital convergence" of Partnership Agreement (ΕΣΤΤΑ) 2007-13.
- 2011-14 Coordinator of the Hellenic participation at the international Project "**Intensive**

Program on GIS in Environmental Management". (Erasmus IP; 5 EU Universities).

Its aim was to improve the knowledge and skills of students in the application of GIS methods in the fields of forestry, biotechnology, agriculture, coastal areas and environmental monitoring and management. It offered solid theoretical background and full practical application through the synthesis and completion of a series of spatial applications. It was implemented with three fortnightly sessions - intensive lessons. (2012: Joensuu, Finland; 2013: Eberswalde, Germany and 2014: Evenstad, Norway).

Funded by the EU via CIMO, Finland, in the framework of ERASMUS LLP.

2009-12 Coordinator of the Hellenic participation at the international Project "**Improvement of education in the field of environmental management (IEEM)**" (13 partners from 10 countries). ('144746-TEMPUS-2008-RU-JPCR').

Co-funded by the EU, in the framework of TEMPUS IV.

2005-08 Scientific Coordinator of the Research Project "**AMICA, Appraisal of man-made interventions along the Hellenic coastal areas**".

Co-funded by the EU (ESF) in the framework of 3rd CSF, ('EPEAEK II': «Archimedes II»).

2005-06 Scientific Coordinator of the Research Project "**ΕΔΟ-2000, Study on the Evolution of the Greek Settlements Network (with fewer than 2000 Inhabitants)**".

Funded by the Education & Research Committee of TEI-A, in the framework of Program «Athens 2004».

2005-06 He participates in the Research Project "Methodological investigation of urban expansions through the development of geographic databases: The case of Prefecture of Attica".

Funded by the Education & Research Committee of TEI-A, in the framework of Program «Athens 2004».

2002-03 He participates in the Research Project "**Technology Foresight in Greece**", supervised by the General Secretariat for Research and Technology, Hellenic Ministry of Development; managed by a consortium consisted of NTUA, Athens University of Economics and Business, National School of Public Health and Logotech, K-NET companies.

1999-01 Scientific Coordinator of the Research Project "**Coastal Space**".

Funded by the Education & Research Committee of TEI-A.

1997-99 Scientific Coordinator of a "**Postgraduate Research Program**", which was combined with the successful completion of his doctoral dissertation.

Funded by the Education & Research Committee of TEI-A.

MISCELLANEOUS

He participated, after invitation as VIP, in the following meetings-events:

- 2019 Global High-end Manufacturing Summit (GHMS 2019).
[Changsha Municipal Government of China & Asia-Pacific CEO Association (APCEO) Changsha, China].
- 2010 World Emerging Industries Summit 2010.
[Provincial Government and People of Jilin Province & Asia-Pacific CEO Association (APCEO), Changchun, China].
- 2010 Special Inspection Tour to Jincheng City and visit of the Chinese nature at **Manghe Nature Reserve**, together with **Mr. Dominique de Villepin**, former French Prime Minister.
[Jincheng Municipal Government of China & Asia-Pacific CEO Association (APCEO), Jincheng, Shanxi Province, China].

He is MEMBER of . . .

- . . . the Technical Chamber of Greece (TEE), the Hellenic Association of Rural and Surveying Engineers, (ΤΤΣΔΑΤΜ) and the Hellenic Union of Architects (ΣΑΔΑΣ).
- . . . the Association of Hellene Regionalists (ΣΕΤΤ) and the Greek Association of Urban & Physical Planners (ΣΕΠΤΟΧ).
- . . . the **European Academy of Land Use and Development (EALD)**, Zürich, Switzerland.
- . . . the International Urban Development Association (**INTA**), The Hague, Netherlands and the Geographical Information Systems International Group (**GISIG**), Genoa, Italy.
- . . . the Global Spatial Data Infrastructure Association (**GSDI**).
- . . . the Greek Section of the International Council of Monuments and Sites (**ICOMOS**).
- . . . the Greek Section of the International Union of Architects (UIA) and the Greek Section of the European Regional Science Association (ERSA).

... the Greek Association of Geographic Information Systems (Hellas-GIS) and the Greek Society of Computer Science and Informatics (ETTY).

He has attended the following **WORKSHOPS / ADVANCED COURSES**:

- 2011 **Decision Support Tools for Coastal and Marine Spatial Planning: What is in the Toolbox?**
[Center for Ocean Solutions, Chicago, USA, 1 day].
- 2010 Tempus 20 years: Impact of Tempus projects to Higher Education in Russia.
[National Tempus Office in Russia & Moscow State University of Geodesy and Cartography, Moscow, Russia, 3 days].
- 2010 "50 Years of Education and Awareness Rising for Shaping the Future of the Oceans and Coasts"; Sharing lessons learned and proposing long-term projections.
[UNESCO/IOC & Russian State Hydrometeorological University, Saint Petersburg, Russia, 3 days].
- 2009 Renewable Energy Science, RES BOAT Conference series.
[EU & Geonardo Ltd (Budapest), Vienna, Bratislava, Budapest, Vukovar, Belgrade, 1 week (on boat)].
- 2005 Coastal Governance, Planning, Design and Geo-Information.
[EU & GISIG, ICCOPS & University of Nice - Sophia Antipolis, Nice, France, 1 week].
- 2005 **Waterfront Management and Geo-Information.**
[EU (Marie Curie) & GISIG & ICCOPS, Estoril & Lisbon, Portugal, 1 week].
- 2004 **Coastal Governance**, the Regional Activity in Liguria.
[EU (Marie Curie) & GISIG & Regione Liguria, Celle Ligure, Italy, 1 day].
- 2004 The Urban and Metropolitan Example of Genova.
[EU (Marie Curie) & ICCOPS & Municipality of Genova, Genoa, Italy, 1 day].
- 2003 Regional development policies in the Metropolitan Area of Athens.
[OECD & MEPPPW, Athens, 1 day].
- 2001 The Spatial Integration of Europe.
[Council of Europe, MEPPPW; Thessaloniki, 2 days].
- 1998 Using Satellite Remote Sensing for the purposes of the Public Domain.
[University of Athens / Sector of Physics Applications, Αθήνα, 2 days].
- 1997 Metadata, Focusing on the Needs of Small & Medium Size Information Holders. 4th European Earth Observation System (EEOS).
[CEO Programme, EESA, University of Athens, Santorini, 2 days].
- 1990 **The Informatics in the Spatial Planning: (Geographic) Information Systems and Space Models.**
[URSA-NET, Patras, 1 week]
- 1989 **Management.**
[National Centre for Public Administration, Lagonissi, 1 week]
- 1987 Public Enterprises and Regional Development.
[IRD, Athens, 30 hours]
- 1987 Tourism Policy and Regional Development.
[IRD, Athens, 30 hours]
- 1985 Advances in Science of Rural and Surveying Engineer.
[PSDMH, Athens, 25 hours]
- 1983 **Computer Programming.**
[CONTROL DATA, Athens, 400 hours]
- 1983 Theory - History and Practice of Modern Architecture.
[TCG, Athens, 27 hours]
- 1979 Advances and Applications in Science and Technique of Rural and Surveying Engineer.
[TCG Athens, 30 hours]
- 1979 Geodetic Methods for Monitoring Movements of Territory & Public Works.
[NTUA, Athens, 25 hours]
- 1979 Informative Courses on Cadastral Transactions referring Plots Arrangements.
